1) State reimbursement to Chesterfield for a portion of the tangible personal property tax levied on personal use cars, motorcycles and trucks is recorded as non-categorical aid from the Commonwealth for financial statement presentations; however, presented in this table as a portion of total tax collections for consistency and comparative purposes.

2) Total tax collections include interest and penalties.

3) Includes the current portion of Personal Property Tax Relief collections.

4) Current tax collections amount restated to exclude the non-cash revenue transactions of the "Tax-Relief for the Elderly" program. This program started during fiscal year 1992 and the revenue transactions had previously been included in current tax collections, causing the tax collection percentages to be overstated. Restating these amounts accurately reflects cash collected for current taxes.
